The citations listed on Form PTO-1449 do not constitute an admission that the references are relevant or material to the claims.

Consideration of this Information Disclosure Statement is respectfully requested, since the information provided herein may be material to the patentability of the subject application as defined in 37 C.F.R. §1.56. The submission of references with this Information Disclosure Statement should not be construed by the Examiner that a comprehensive search through the prior art was conducted; it is requested that the Examiner make such a comprehensive search.

The undersigned certifies that each item of information contained in this Information Disclosure Statement was cited for the first time in a communication from a foreign patent office

As this Information Disclosure Statement is being filed prior to the receipt of a first Official Action on the merits, no fee is required. Finally, the Commissioner is authorized to charge any additional fee or credit any overpayment in such fees to Deposit Account No. 03-3839.

Applicants respectfully request that the Examiner consider and make of record the documents cited herein. Applicants further request that a copy of the Form PTO-1449, appropriately initialed by the Examiner, be returned to Applicant's attorney.
